Written Ex Parte in CC Docket No. 98-121 and
CC Docket No. 98-56

Dear Dr. Shiman:

On March 11, 1999, BellSouth made an oral presentation to the staff of the Common Carrier Bureau. For part of that presentation BellSouth relied upon a document entitled "Proposals to Establish Voluntary Self Effectuating Enforcement Mechanisms. Subsequently Bureau staff asked that BellSouth provide the information upon which it relied in creating the table that appeared on page 9 of that document. In partial response to that request, I am attaching copies of three documents entitled respectively: Bell Atlantic Schedule 27.1 – Performance Measurements; Draft SQM Comparison Matrix; and SQM Penalty Matrix.

In compliance with Section 1.1206(b)(1) of the Commission's rules, I have today filed with the Secretary of the Commission two copies of this written ex parte presentation for both CC Docket No. 98-56 and CC Docket No. 98-121 and requested that it be associated with the record of both dockets.

Sincerely,

Kathleen B. Levitz
Vice President – Federal Regulatory
